

VARStreet Announces Integration with Payroc Payment Gateway

With this integration will provide VARStreet resellers in the USA and Canada can now accept payments through Payroc payment gateway

BURLINGTON, MA, UNITED STATES, July 29, 2021 /EINPresswire.com/ --

VARStreet, a leading [business management software for VARs](#) in the IT and office supplies industry, successfully integrated with the widely popular Payroc payment gateway.

Payroc is a leading online payment platform that allows merchants to authorize, settle and manage credit card transactions via websites.

VARStreet resellers need to set up a merchant account with Payroc to accept payments.

Payroc payment gateway integration with VARStreet will allow resellers to charge, authorize and pre-authorize credit card payments through Payroc. This integration has been implemented for the storefront as well as in BackOffice.

In addition to Payroc, VARStreet integrates with other leading payment gateways, including PayPal, Stripe, Authorize.net, Intuit Payment Solution, Moneris, and Vantiv. VARStreet also integrates with shipping carriers and software applications like NetSuite ERP, Salesforce CRM, QuickBooks accounting tool and more, to enable its customers to manage their businesses.

Shiv Agarwal, Director of Sales and Marketing, VARStreet Inc. said, "Many of our US and Canadian resellers had enquired about offering support for Payroc to collect payments and we are happy to make this option available. He further added "Our integration with Payroc is just one more way we help resellers collaborate with their customers in real-time for better service experience"

Our integration with Payroc is just one more way we help resellers collaborate with their customers in real-time for better service experience."
