

Maryland US Navy Veterans Lung Cancer Advocate Has Endorsed Attorney Erik Karst of Karst von Oiste to Ensure a Navy Veteran with Lung Cancer Gets Compensated If He Had Significant Navy Asbestos Exposure

BALTIMORE , MARYLAND , USA, September 23, 2021 /EINPresswire.com/ -- The Maryland US Navy Veterans Lung Cancer Advocate has endorsed, and they highly recommend attorney Erik Karst of the law firm of Karst von Oiste for a Navy Veteran with recently diagnosed lung cancer in Maryland who also had significant exposure to asbestos in the navy prior to 1982. Financial compensation for a person like this might exceed a hundred thousand dollars and the claim does not involve suing the navy. What does matter is a Navy Veteran like this be able to recall the specifics of how, where and when they were exposed to asbestos on a navy ship, submarine or at a shipyard as attorney Erik Karst is always happy to discuss at 800-714-0303. www.karstvoniste.com/

The Advocate says, "If your husband or dad is a Navy Veteran with recently diagnosed lung cancer and he had heavy to extreme exposure to asbestos in the navy in the 1950s, 1960s, or 1970s please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 for a straightforward conversation about

compensation. What most people like this do not realize is the \$30 billion dollar-asbestos trust funds were set up for them too-as Erik Karst will explain." www.karstvoniste.com/

The Maryland US Navy Veterans Lung Cancer Advocate's free services are available to people with asbestos exposure lung cancer or mesothelioma in Baltimore, Frederick, Gaithersburg, Bowie, Rockville, Hagerstown, Annapolis or anywhere in Maryland.
