

Free Community Movie Night Every Friday Under the Stars

Join Meridian Parks and Recreation and Microbe Formulas for Sparklight Movie Night in Settlers Park

MERIDIAN, ID, UNITED STATES, July 30, 2021 /EINPresswire.com/ -- The Meridian community is hosting a Sparklight Movie Night every Friday night at Settlers Park this summer. Thanks to local sponsors, like Meridian-based health company Microbe Formulas, this is a free, fun, and family-friendly event for the community to enjoy.

Microbe Formulas will be sponsoring the event through an advertisement prior to the start of the movie. Supporting this family-friendly event is

another way for Microbe Formulas to show their commitment to the Treasure Valley community. Alongside this, Microbe also partners with the Boise Hawks, Boise State Athletics, Idaho COBS, and other central groups in the community.

Craig Randall, Culture Chief at Microbe Formulas, says, "Being a Meridian-based company, we love any chance to get involved within our own community, especially with family-friendly events. As we grow as a company, we are eager to continue to provide hope and health to not only our customers, but directly to all the people around us in the Treasure Valley."

Settlers Park provides a variety of different activities to do prior to the start of the movie. Families can run around the playground, set up a picnic in the grass, cool off in the splash pads, or even make some wild tunes in the sound garden.

The movie begins at dusk, and spectators are encouraged to bring blankets, chairs, and snacks.
