

Top Manager Mahan Teymouri and New York Times Bestselling Author Jack Canfield to Hold Big Seminar on Secret of Success

Mahan Teymouri, Middle East Top Manager, is working on the "success system" in a joint conference with Jack Canfield, Leading Lecturer at The Secret of Success

TEHRAN, TEHRAN, IRAN, August 1, 2021 /EINPresswire.com/ -- From the beginning of human history until today, Human Being has been looking for a way to have a better life, more income, and higher welfare. These components of human life in the new century are known as the system of success. Success, as one of the concerns of modern life, has seen many books, magazines, and speakers to date. But out of this amount of data on success, only a few versions of success systems have finally succeeded. The reason for this difference in results is also completely dependent on the difference between humans with each other. Many success systems are written only for a specific group of people, or many success books are written in such a way that they are applicable to people in a particular geographical location. But as we have said, only limited versions of the success system have not failed to date because these systems are designed to be written regardless of religion, geography, etc. One of those people who has been able to achieve this success and expand his success system in the world for more than forty years and have the best achievements is [Jack Canfield](#).
