

# How to give your social life a boost with free tickets to films and events

## Free Tickets for Seat fillers

LONDON, LONDON, UNITED KINGDOM, August 1, 2021

/EINPresswire.com/ -- How to give your social life a boost with complimentary tickets to films and events.

As lockdown eases most people are keen to get out and what better way to have plenty of opportunities than becoming a seat filler!

One of the Entertainment Industry best kept secrets is that most venues and events will have unsold tickets and need 'bums on seats' at some stage. This gives those in the know the chance to get incredible offers of complimentary tickets or on guest lists for invite only events!

How do you get free tickets?

ShowFilmFirst, a private members club that is free to join, offers complimentary tickets to Festivals, Theatres, Films and much more. The only stipulation is that members have to be respectful of venue rules, as all tickets are on the QT - so dont talk about where you get your tickets from, but DO spread the word on what you have seen or where you've been!

Why would you get free tickets to see films in cinema, before they are released?

The advertisement features a green background with a crowd of people. At the top left is the 'SIF SEE IT FIRST' logo, and at the top right is the 'SFF showfilmfirst' logo. Two white boxes with black text are positioned in the center. The left box asks: 'LOVE FILMS AND WANT TO SEE MORE INCLUDING PREVIEWS - FOR FREE, BY INVITE ONLY?'. The right box asks: 'LOVE THEATRE, FESTIVALS, CONCERTS, GIGS AND MORE? GET ON THE GUEST LIST FOR COMPLIMENTARY TICKETS?'. In the bottom right corner, a circular badge says 'LIMITED FREE MEMBERSHIPS AVAILABLE NOW!'. At the bottom, a dark green bar contains the text 'CLICK HERE TO SIGN UP'.

It is proven that word of mouth/personal recommendation is the biggest influence for choosing a film. Seeitfirst preview films before they open in cinemas, inviting target audiences to talk and discuss what they have seen and recommend films to networks of family and friends.

How to get on the guest list for films, shows, theatre, festivals, gigs and other events

The usual question is why? There are many reasons seats need filling, for example ensuring there is a full auditorium on press night for show openings; or increasing concession sales at festivals; simply showcasing new venues; or testing comedy acts on smaller audiences.
