

St. Kitts & Nevis Patriots (SKNP) partners with RageFan to become the first Cricket club to launch Fan Tokens and NFTs

Popularly known as SKNP, the cricket franchise of Caribbean Premier League(CPL T20) counts international cricketers Chris Gayle, Dwayne Bravo among its players.

CHENNAI, TAMIL NADU, INDIA, August 7, 2021 /EINPresswire.com/ -- [SKNP](#), a popular cricket franchise in the Caribbean Premier League ([CPL T20](#)) that counts international cricketers Chris Gayle and Dwayne Bravo among its players, announced a multi-year strategic partnership with [RageFan](#), a fan-first sports platform developed on blockchain. The partnership signifies SKNP and RageFan's commitment to sports and fan engagement.

SKNP Partners with RageFan, become first cricket club to issue Fan Tokens and NFTs

RageFan will help SKNP launch its fan token offering (FTO) and a mobile fan engagement app for the club's supporters. Fan tokens allow fans to gain a 'slice of influence' and access exclusive fan rewards, content, and experiences such as meeting with players.

“

RageFan is very excited to partner with SKNP, one of the biggest names in the Caribbean Premier League. We see a lot of synergies between SKNP and RageFan in our approach to the fans and the sport.”

*Satheesh Ananth, CEO,
RageFan*

The SKNP Fan Tokens will premiere on RageFan's "FanPad", it's recently announced launchpad exclusively for holders of \$Rage. "FanPad" is envisioned as a multi-chain launchpad for fan tokens and NFTs specifically aimed at the world of FANDOM. Where there are fans - Sports, Music, Entertainment, Stars, Artists, Influencers, and even Brands - the world of FANDOM offers potential and possibilities with Fan Tokens and NFTs.

SKNP's fan token is planned for launch later during the year, allowing fans to engage with the

club through mobile voting and polling through the app. Meanwhile, there will be exclusive NFTs that fans can purchase and win club merchandise through participating in contests that will be launched soon as CPL kicks-off. The club has said that the alliance with RageFan forms part of their broader strategy to strengthen their relationship with fans and build a stronger fan base.

RageFan is well known for its Sports NFTs and DeFi products like their 'Stake & Mint NFT' platform, Daily Fantasy Sports (DFS) App. Recently, it launched an 'Olympian NFT mint' commemorating the Tokyo Olympics with a reward pool of \$150,000 USD in \$Rage and other tokens. It airdropped co-branded NFTs loaded with \$150-200 worth token rewards in partnership with dotmoovs, Footballstars.io, GBV Capital, Gate.io, and polkalokr, at Wembley stadium for the EURO2020 matches that users collected using Scramble by RageFan - an AR based Token & NFT Hunt App.

RageFan's first set of cricket action card NFTs launched on Bondly were sold out in minutes. It has launched several sports utility NFTs for Tennis, Soccer, Basketball, Baseball (EURO, Champions League and Europa league, NBA, MLB). RageFan has already distributed close to 500,000 \$Rage as rewards to its NFT holders.

RageFan CEO and founder Satheesh Ananth, said, "RageFan is very excited to partner with SKNP, one of the biggest teams in the Caribbean Premier League. We see a lot of synergies between SKNP and RageFan in terms of our approach to the fans, the sport, and the growth plans for our brands. This partnership shows our commitment to the sporting world, and we will continue to push the boundaries of fan engagement"

Mahesh Ramani, SKNP's owner, said, "We at the Patriots have always been on the lookout for newer forms of fan engagement especially considering the changed viewership patterns and hence are really excited about this partnership with RageFan. The fan token space is a new and exciting fan engagement prospect and the value add we can provide for our fans are endless. I am sure this will be a long association wherein we create a fantastic and unmatched experience for our fans."

RageFan has global aspirations for fan engagement and the world of FANDOM by enabling fan tokens for multiple sports across football, cricket, basketball and wherever fans are involved like music & entertainment, artists and more.
