CARROLLTON, TX, UNITED STATES,  
August 2, 2021 /EINPresswire.com/ --

The newest member of the Vendor Resource Management Real Estate Alliance (VRMREA), [VRM Lending LLC](#) will manage the unique loan program that lets investors and owner-occupiers — including non-military borrowers — take advantage of competitive rates that can save thousands of dollars compared to a standard mortgage.

Borrowers can purchase investment properties or primary residences for low or no money down with no mortgage insurance requirements, helping to make finding a home easier and more affordable during a global pandemic that put the housing market on pause. Loans through the Vendee™ Loan Program put buyers at an advantage often with lower rates and faster closing times.

[VRM Lending's](#) goal is to carefully guide buyers through the home loan process, so they can confidently select the best mortgage from the many mortgage options that are available today. At [vrmlending.com](#), buyers can easily search the thousands of properties for sale, learn about the loan process, and even calculate monthly payments.

Launched in 2020 with the mission to set a high standard in the mortgage industry, the VA Vendee™ loan through VRM Lending makes finding home financing easy with simple qualifications, low-interest rates, no-prepayment penalties, and quick close times. VRM Lending is part of the [VRM Real Estate Alliance](#) and is a certified minority-owned business committed to helping families, neighborhoods and communities impacted by foreclosure — and to supporting women-, minority-, disabled-, veteran-, and LGBT-owned businesses.
