ATLANTA, GA, UNITED STATES, August 3, 2021 /EINPresswire.com/ --

After years of paying excessive fees to agents and property managers, many homeowners are looking for a welcome opportunity to rent their properties at fair prices, simply, and on their own terms. That's why the real estate website, AQRE Home, is now

pleased to offer homeowners and investors a chance to list properties for rent directly on their site - with zero listing and marketing fees.

"We are relentless in our goal of eliminating unnecessary costs, complexities, and stress that can accompany property management," said Ronice Harrison, Chief Executive Officer of AQRE Home. "That's why we are introducing a fully integrated platform that will combine all the services users need to have the clearest, simplest, and least-stressful end-to-end renting experience found anywhere."

Individual property owners and investors can now list directly via aqrehome.com, safe in the knowledge that their properties are on one of the world's most innovative real estate platforms. After listing, AQRE Home's integrated platform makes the renting experience effortless with tools and personalized assistance that helps homeowners with:

- marketing their properties

- finding tenants

- managing properties

- setting rent and tracking expenses

- getting paid in the currency of their choice, including cryptocurrency

Homeowners can profit from these free listing, marketing, and basic property management tools, or let AQRE Home assist with all property management needs for a low cost - so they can make money passively from anywhere in the world.

"Normally for this type of service, it would cost thousands to list a property for rent," commented Trivelle Simpson, Chief Operations Officer at AQRE Home. "With this website, however,

homeowners only pay a small transaction cost, and only when their property is successfully rented out to an amazing tenant. It's made to be an affordable and easy process."

Now and for a limited time, AQRE Home is also offering a 30-day guarantee - the company will lease your property within 30 days of listing - or the transaction is free.
