The title "Hit it Good" speaks for itself."

Matthew Clark (CEO of Simplicity 26 Records)

August 10th is a big day for KLÖ; as not only is her single "Hit it Good" and it's official music video being released; a

follow up compilation album for her single "Luv's So Good" featuring remixes from Kenny Summit of Good For You Records, Mike Dominico of Muted Trax, David Wiegand of M.S.L.

Records, and Unspoken Notion of Simplicity 26 Records is also hitting digital retailers and streaming sites worldwide. Currently, the "Luv's So Good" [Remix Compilation](#) can be found exclusively at JUNO Downloads. (Simplicity 26 Records. July 27th, 2021) Remix Compilation for KLÖ's "Luv's So Good" Single to be Released by Simplicity 26 Records.

"Hit it Good" was composed by Branley Midouin of Sunai Paradise Music and Laury Charles. Midouin along with Fitzreynold Cadet of Noldy Music and Simplicity 26, produced and arranged the single. Gabriel Laporte brought his guitar skills to the table and Myriam Estinval lent her voice as supporting background vocals. The lyrics; written by Charles, are that of an erotic fantasy of sexual attraction. One not any less revealing in the steamy Official Music Video directed by Protheus of Prostreamz; surely, outdoing its predecessor. "The title "Hit it Good" speaks for itself." says Matthew Clark (CEO of Simplicity 26 Records).

The feedback for "Luv's So Good" and "Hit it Good" has been so positive that a remix compilation album featuring unreleased remixes of both tracks; along with remixes of her next single, is currently in the works. New "Luv's So Good" remixes featuring Eddie Hudson, DJ BobbyJamz, and M&Project can be expected on that release. Negotiations are still taking place for remixers of "Hit it Good" and the next single that is still "To Be Announced" later this summer.

An awe-inspiring singer, songwriter, and artist; KLÖ's journey continues...
