

Kitchen Appliance Retailer Redmond Offering Discount Code for Shoppers

Redmond's products make cooking simpler and more rewarding

CORONA, CALIF., USA, August 4, 2021 /EINPresswire.com/ -- Online small kitchen appliance retailer [Redmond](#), whose mission is to provide kitchen lovers with a smarter, healthier kitchen life, is offering 20 percent off its entire line of products, including its popular 5-in-1 [Immersion Hand Blender](#).

By applying the code News at checkout, the Immersion Hand Blender, which normally sells for \$46.86, costs \$29.99.

The handheld, multifunctional, stainless steel blender is perfect for making smoothies, milkshakes and pesto sauce and for beating eggs, blending pancake batter, puréeing soup, making whipped cream and dicing ingredients. The blender comes in three colors: empire red, onyx black and blue willow.

Redmond's ergonomically designed hand mixers feel comfortable to hold and operate even with one hand. Featuring powerful motors, the wattage of the blenders range from 400-to-500, allowing any blending task to be performed efficiently and smoothly.

The coupon also applies to Redmond's toasters, blenders, mixers, coffee makers, kettles and more, all made with the use of advanced technology and driven by innovation in both function and design.

Redmond's mission is to offer ingenious products to make cooking simpler and more rewarding. Redmond is dedicated to understanding the consumer's needs and bringing innovative

solutions. All Redmond products are conceived and manufactured based on one major concept: to make life a little easier without compromising results. Driven by innovation in both function and design, Redmond consistently sets new trends in the world of housewares.

Redmond's products are designed to improve overall quality of life so consumers can spend more time focusing on what really matters.

Redmond offers multiple payment options that make purchasing easy, and all products have a 12-month warranty covering material failures and manufacturing faults.
