“Our dream vacation home Waimalani was built by a labor of love and our deep respect for its unique natural beauty. Over the years our family as well as many of our vacation rental guests have greatly enjoyed this simple and relaxing luxury home in a tropical oasis. It’s hard to say goodbye to the soothing sound of gentle lapping waves every night, the front row views, from every room, of whales and dolphins frolicking in the Puako Bay, and kayaking and snorkeling among the sea turtles; but we have reached another point of our life where Less is More. We’ve chosen to partner with Concierge Auctions because of their unparalleled global reach of potential buyers, a dedicated

team of professionals experienced in real estate marketing and promotion, and their unique

sales approach to marketing one-of-a-kind properties," stated Xinxin Guo, the seller.

Modern luxury meshes with classic Hawaii architecture at this beachfront home, complete with direct access to over 350 feet of white sand beaches, lava flows, and crystal ocean waters. The meticulously maintained property is fit for entertainers of any kind. The main "hub" of the home boasts an open master suite, a second bedroom suite, and irresistible living spaces, all highlighted by views of the Pacific. A covered bridge leads visitors to and from the guest wing, where two more spacious suites provide extra private space. Make the most of the ocean sight-lines from the lanai and watch the surf crash against the rocks below, or look out over the greenery and landscape enveloping the property. Three anchialine pools provide natural irrigation to the host of mature trees, including coconuts, Lauhala, and rare Loulou palms that create a beach-side oasis. This resort-like property in Puako is primed for getaways or everyday living, and already boasts an STVR registration for added income potential.

"The size of land alone sets this property above any other in the area and the direct beach access allows you to explore in mere minutes. I am pleased to be working with Concierge Auctions on the sale of this property as they afford exactly what my client and I want—an opportunity to sell within a designated time frame," stated Matsumoto, Listing Agent.
