

Akopyan Law Firm, A.P.C. Announces Legal Help to Disabled Employees Who have been Denied Reasonable Accommodation in LA

One of California's top employment law firms offers legal representation to disabled employees in the LA area who have been denied reasonable accommodation.

BURBANK, CALIFORNIA, UNITED STATES, August 6, 2021 /EINPresswire.com/ -- Representatives of the [Akopyan Law Firm, A.P.C.](#) announced today that the Akopyan Law Firm, A.P.C. provides representation to [disabled employees who have been denied reasonable accommodation](#) by their employers in the Los Angeles area.

"Federal and State laws protect qualified employees with disabilities and prohibit employers from discriminating against or treating employees differently due to their disabilities," said [Michael Akopyan](#), founder and spokesperson for the Akopyan Law Firm A.P.C.

"When an employee has a disability within the meaning of either the Americans with Disabilities Act and/or the Fair Employment and Housing Act the employer is required to engage in an interactive process to identify and provide a reasonable accommodation for the employee's disability" added Akopyan and explained, "This means that the employer has to make reasonable accommodation for the known disabilities of its employee to enable the employee to perform his or her essential functions unless doing so would create an undue hardship."

In California, disabled employees have even greater protections because of the Fair Employment and Housing Act, which applies to smaller employers and applies even to temporary physical or mental conditions.

"If you feel your employer didn't provide you reasonable accommodation, contact the Akopyan Law Firm today. We offer complimentary case evaluations to folks who feel that they have been wronged by their employers," said Akopyan.

Each lawyer at the Akopyan Law Firm A.P.C. has more than fifteen years of experience in litigating employment cases and personal injury cases. The Akopyan Law Firm A.P.C. is dedicated to protecting the rights of workers who fall victim to discrimination, harassment, retaliation,
