

IFAH recognizes Medical Billing Wholesalers among Top 50 healthcare companies of 2021

MBW, a unit of Acrologic Business Solutions, has been named among the top 50 healthcare companies of 2021 at the Global Health Conference by IFAH.

SUFFERN, NEW YORK, UNITED STATES, August 10, 2021 /EINPresswire.com/ -- [Medical Billing Wholesalers\(MBW\)](#), a unit of Acrologic Business Solutions, announced that the International Forum of Healthcare Advancements (IFAH) has named the company among the top 50 healthcare companies of 2021.

Melvin Miller, Chief Operating Officer of MBW, said, "I believe that the reason for our success is our ability to combine the expertise of our people with a strong technology backbone to deliver the business outcomes our customers seek. Being recognized as one of the top 50 healthcare companies by IFAH is a significant milestone in our journey and will energize all of us at MBW to expand our horizons. We are now utilizing [robotic process automation](#) and artificial intelligence to add value to our clients."

IFAH received an overwhelming number of nominations from different parts of the world for the "Top 50 Healthcare Companies of 2021" recognition this year. The award evaluates a company based on multiple criteria, including the industry impact, spirit of innovation, future-readiness, and the market demand for their products/services. It also evaluates an organization based on the overall reach and the popularity of the business offering.

Upon receiving the recognition at the Global Healthcare Conference held in Las Vegas, Vinod Sankaran, the Chief Executive Officer of MBW, said, "We believe that this recognition is a trophy for our consistency in delivering outstanding revenue cycle results to our customers. To be recognized as one of the best in the industry is a testament to our team's determination, skill, and persistence. Over the last two years, we have made the investments in creating a strong operational and technology framework to bring innovation to the healthcare revenue cycle."
