

Operated Conventional Assets for Sale in Montana

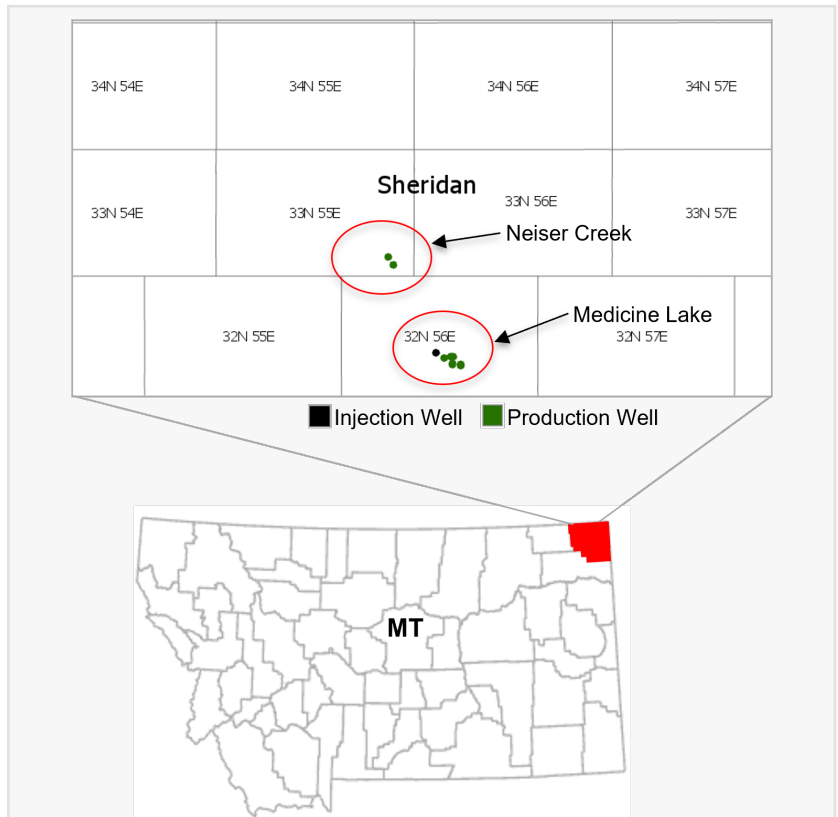

Conventional Operated Working Interest Assets and Associated Lands for sale in the Williston Basin of Montana.

DENVER, COLORADO, UNITED STATES, August 5, 2021 /EINPresswire.com/ -- [Eagle River Energy Advisors, LLC](#) ("Eagle River") has been exclusively retained by Western Meadowlark Energy ("Seller") to divest certain operated working interest [assets](#) and associated lands in the Williston Basin of Montana.

The assets provide the opportunity to acquire a mature, conventional production profile with a shallow 6% annual decline rate. The assets are producing approximately 45 BOPD from the Red River Formation, and next 12-month cash flow is anticipated to be about \$625M. The assets also have additional upside with several recompletion and reactivation candidate wells.

Bids for the opportunity with Western Meadowlark Energy referenced in this press release are due September 1st, 2021.
