Top 25 hospitals based on highest number of Medicare patients receiving an office visit via telehealth from April 1, 2020 through December 31, 2020

Among all of the hospital services provided via telehealth, one service (CPT G0463 - Hospital Outpatient Clinic Visit) occurred the most, representing over 47% of total telehealth claims.

As price transparency becomes more ubiquitous, we expect to see a tightening of hospital prices for the same service."

Rick Louie, Managing Director of Hospital Pricing Specialists

Dana-Farber Cancer Institute in Boston, MA was at the top of the list with 976 telehealth visits for this code, and charging a price of \$487.38.
