"Over the years, the atmosphere out on the Oasis Pool Deck has turned magical," said Randy Maier, Board President, Beachcomber Resort. "We are thrilled to now have close to 200 square feet of covered area outdoors, keeping our popular gathering space as versatile as can be."

Led by Maier and General Manager Nathan Mathewsson,

the Beachcomber's highly-engaged HOA and leadership team has planned several types of events to make use of the cabana from spring through fall. The resort recently debuted weekly "Dive-In" movies, where families can enjoy their favorite films projected on the cabana's 10-foot screen. In the fall, guests can enjoy major sporting events on the big screen, as well as on the TV located by the grill stations. Plans are also in development to accommodate special events and activities for groups, such as wine tastings, backyard-style games, and more.

"Our vision for the Beachcomber is to create a place where family, friends, and soon-to-be friends can meet for an annual vacation, celebrate special occasions, or take quick, relaxing getaways throughout the year," Maier added. "The beach isn't just for summer anymore!"

For the remainder of the season, the Beachcomber is waiving minimum stay durations for select rooms.
