the FAWNL and are currently in the NWWRL having been relegated several seasons ago. After rebuilding the squad and backroom staff they are looking to gain promotion back up into the FAWNL.

"

we are looking to regain our place in the FAWNL and with a strong backroom staff we are looking to add a GK coach"

Derek Booth - Manager

Being in an enviable position with having two goal keepers of excellent quality who are both looking to improve and play to the best of their ability, the position will be very rewarding.

The training facilities and equipment are of excellent quality and with sessions twice a week on 3G lasting one hour and thirty minutes per session there will be plenty of

time to work with the keepers.

Matches are played on Sunday afternoons with a 2pm kick off and transport is provided from the club house for away matches.

If you are a qualified Goal Keeper Coach and are looking to be involved with a club moving forwards and upwards, please get in touch.
