Mullet Dragon quietly released his debut single "Candy Colored Porsche" over the weekend and within 3-4 days the song broke into itunes top 100 songs on the official itunes Pop Chart peaking at position #82 ahead of songs like "Run" by One Republic and "Love Somebody" by Maroon 5. It's quite impressive and shows the cult following he's built considering Mullet Dragon is not only an independent artist, but this is also the first official release from the Project.

I've written multiple #1's for other artists, but have never released any music of my own, so i never thought of this for myself. Its something i've always wanted to do though and i plan to continue until i've written multiple #1's for Mullet Dragon. It's my main goal. To replicate what I've done for other artists, for myself. I'm very grateful and humbled. It's truly an honor."

The single bridges multiple genres from pop to hip hop and features an energetic rock inspired vocal throughout the song. The track also features an all star personnel like Grammy Award Winning Mastering Engineer Mike Bozzi (Post Malone, Tyler the Creator, DojaCat) , Mix engineer Malcolm Springer (Matchbox 20, Collective Soul, Nappy Roots) and Brittney Spears and Lil Wayne songwriter and Collaborator, Myah Marie.
