

# Bisbee's 2021 East Cape Offshore Shatters 2020 Records

*The total jackpot increased to \$1,582,975, exceeding last year's record of \$1,100,000 by over 42%.*

LAKE ELSINORE, CA, UNITED STATES, August 9, 2021 /EINPresswire.com/ -- The 22nd East Cape Offshore (BCS, MX) produced by the Bisbee family began this year's series in a remarkable fashion! The number of teams increased from 72 boats in 2020 to 96 in 2021. As a result, the total jackpot increased to \$1,582,975, exceeding last year's record of \$1,100,000 by over 42%.

"The top two 2021 winning teams received more money than the total amount received by all the winners in the 2020 event," Tournament Director Wayne Bisbee observed. Last year's total jackpot was \$1,100,000, and this year's largest two payouts was 1st Place Overall \$790,712, and Day 1 & Day 2 Jackpots \$431,800 for a total of \$1,222,512.

Continuing a "quality over quantity" theme again this year, Team Tiger Spirit's winning fish weighed 597 pounds, the second-largest qualifying marlin ever caught in the 22 years the tournament has been in existence.

They are:

- Bisbee Black and Blue, Los Cabos, BCS, MX, October 19 - 23, 2021.

Axel Valdez, the owner of the host hotel, BUENA VISTA Oceanfront & Hot Springs Resort, and Clicerio Mercado, Tournament Coordinator for the past 32 years, met with local government

officials to ensure that ECO had addressed and adopted the required COVID-19 protocols. As a result, the Bisbee Tournament team has met the demands of the COVID crisis for the second year. In addition, they are an exceptional example of how sportfishing tournaments should be conducted during this period when everyone is concerned during the worldwide pandemic.

“

The top two 2021 winning teams received more money than the total amount received by all the winners in the 2020 event,”

*Tournament Director Wayne Bisbee*

The Bisbee ECO Team has done a professional job of smoothly bringing together this record-breaking 96 teams of anglers competing for the most significant amount of money ever awarded in a single tournament in the East Cape community. They are not only paving the way for promoting tourism, but at the same time, they have implemented rules and protocols that kept everyone safe.

And in doing so, with the assistance of anglers from around the world, the Bisbee events remain the only Trifecta of tournaments with Multi-Million Dollar jackpots in Baja California Sur.

From 10 boats to 96 boats entered in the ECC, founder Bob Bisbee must be smiling! I know the remainder of the Bisbee family sure is.
