About

Up-and-coming singer and songwriter [Damola Adediran](#) is a true sensation when it comes to Rap and Hip-Hop music. Born in 1996, Damola was always exposed to different elements of music by his family from an early age. Growing up in the southern suburbs of Chicago, Damola was always inspired by the rhythmic allure of Hip Hop and its fresh beats but never saw himself as someone who would pursue music as a passion.

However, he later found himself fully immersed in music, and debuted with his dynamic single titled "On the Low", evolving and growing his musical talents. Damola believes that his music encapsulates a mix of Afroswing and Afrobeats styles, with a uniquely distinct spin on the latter style. Through his music, Damola wishes to be able to connect with his listeners and plans on producing many more singles in the future.
