CLEVELAND, OHIO, US, August 11, 2021

/EINPresswire.com/ -- The recent June/July 2021 edition of "AARP The Magazine" has a special treat for collectors: [Terry Kovel](#) was featured in a "Real People" story as a "walking encyclopedia." Readers of the hundreds of books and articles written by Terry and her late husband, Ralph Kovel, as well as those who enjoyed their TV shows and appearances, already knew this! In the "AARP The Magazine" article, Terry talks about how she and Ralph furnished their first apartment with flea market finds. She also explains how their first book—on marks—was written when they realized there was no good resource out there on the signatures and ciphers they were finding on

pottery and porcelain! Terry shares tips on collecting, selling, and even how to find a trustworthy antiques dealer, and is pictured surrounded by some of her personal favorites.
