*From 1 to 15 October 2021, Buffalo-born musician, composer and producer will headline at 10 cities across America's East Coast*

BUFFALO, NEW YORK, USA, August 11, 2021 /EINPresswire.com/ -- Edalo has announced an East Coast Tour for Fall 2021 and will headline in 10 cities across America's East Coast. After hitting one-million streams on Spotify, Edalo sets out on a solo-tour to celebrate and prepare for his upcoming releases. With live music on the rise again, Edalo's excited to do his part by playing live-set shows in Montpelier, Charleston, Port St. Lucie, and Washington, D.C. to name a few.

"I'm just excited to play a headlining tour across America, and all by myself no less! I hope it's inspirational to other independent artists to know that you can go on big tours and be a success without being signed to a major label" says Edalo.

The flyer features a vibrant, abstract background with pink, blue, and yellow colors. At the top, the name 'Edalo' is written in a large, stylized, cursive font, followed by 'TOUR' in a bold, sans-serif font and 'OCTOBER 2021' in a large, bold, sans-serif font.
