

Gen Alpha phenom Ariana Jalia releases debut single Holding On as a battle cry for the post-pandemic world

Ariana Jalia's angelic sound delivers a heartfelt battle cry - "just keep on holding on"

NEWTON, NJ, USA, August 11, 2021 /EINPresswire.com/ -- Today [My Sunshine Magic](#) announced the first details for [Ariana Jalia's](#) debut single [Holding On](#). As an emerging singer-songwriter, her message and breathy angelic sound, delivers a heartfelt battle cry with a plea to those who find themselves isolated and face to face with mental or physical trauma to - "just keep on holding on."

"I cannot explain how excited I am to put this song out into the world. It feels like a way for me to connect to people on a raw emotional level and hand them a branch of hope, something to hold on to as we climb our way back to each other."

Ariana Jalia Holding On

Ariana expresses the cry of her audience as she grapples with the highs and lows of life in her unapologetic dreamy lyrics. Her sound captures the perfect tone of this post-pandemic world. However, it's the song's underlying message encouraging authenticity and self-acceptance that seems to connect with her fan base. A snippet of Holding On found on her Instagram feed garnered hundreds of comments and 10's of thousands of views all mirroring this chant.

"I wrote this song reflecting on the tragic loss of a loved one, and it's my hope that when people hear my song they will find a way to keep on holding on."

With much more music on the horizon, this singer-songwriter will burst onto the scene this fall.

Fans can also expect the release of her feature film directorial debut in 2022 with Holding On included in the soundtrack.

The single is set for release August 27,, 2021 on all digital platforms and is now available for pre-save.
