CRN's 2021 Fast Growth 150 list ranks solution providers with gross annual sales of at least \$1 million by their two-year growth rate.

SAN DIEGO CA, CA, UNITED STATES, August 12, 2021 /EINPresswire.com/ -- CRN's [Fast Growth 150 list](#) ranks solution providers with gross annual sales of at least \$1 million by their two-year growth rate. With this list, CRN recognizes the fastest-growing North American technology integrators, solution providers, and IT consultants for their significant growth and meaningful performance over the previous two years.

According to CRN, "the 150 companies on this year's Fast Growth 150 list collectively generated revenue of \$94.78 billion, considerably above the \$37.80 billion generated by last year's Fast Growth 150 and \$55.93 billion by the 2019 class."

“

The two-year growth that this award recognizes shows that our approach is more relevant than ever as companies try to reinvent their business models and processes in these ever-changing times.”
