The Art of Networking Framework

The Art of Networking Online Course The Borja Consulting Group's commitment to delivering the latest networking advice that will transform you and your business by learning how to make your network a platinum asset. This course is designed to provide employees, entrepreneurs and working professionals with a fundamental foundation of how to network both virtually as well as onsite at an event. Moreover, it will teach you how to generate leads, gather further prospects, and how to leverage your existing network to increase leads. <https://borja-consulting-group.mykajabi.com/>

M. Isabel Alarcon touts about the previous course *Transforming Your Way to Success* as "an informative course guiding us to utilize the resources at hand to increase and expand your

network effectively.” Catherine Barreto, MBA, who highly recommends the course, assures customers that its “easy-to-understand presentation format” is both “well-thought out and well-executed.” She further adds, “I enjoyed it and found it incredibly helpful. I am looking forward to putting it into practice immediately!” Nikhil Patel agrees: “Since taking Jairo’s course, I feel like I have more direction of how to network with intentionality towards getting prospects through LinkedIn. It has resulted in closed business already!”

Take this journey to see how you and your business can gain traction using your existing network.
