

Christopher Veale Scholarship Assisting Minority Students Across the United States

The scholarship committee is announcing the winner of its prestigious 2021 scholarship award.

BOCA RATON, FLORIDA, UNITED STATES, August 12, 2021

/EINPresswire.com/ -- The [Christopher Veale Scholarship](#) committee is pleased to announce the 2021 recipient of its prestigious award - Aysha Vaughan, of Old Dominion University.

Founded by Christopher Frederic Veale, a South Florida entrepreneur, investor, and philanthropist, the Christopher Veale Scholarship was created to provide much-needed aid and access to higher education and opportunities that often eludes under-served and under-privileged communities and students.

"With many career paths that provide liveable wages requiring a degree, the importance of college becomes even clearer," says Mr. Veale. "Our hope is that through this scholarship, we are able to assist in defraying a portion of the financial load associated with college costs. The essay and application Aysha submitted is a perfect exemplar of a commitment to excellence in education and in life, despite the obstacles life threw her way. Our team is proud to support such an extraordinary student in her continued pursuit of higher education and success."

The Christopher Veale Scholarship is open twice per year to all students who adhere to the following guidelines:

- Be a high school senior accepted to an accredited college or university, or a student currently enrolled in an accredited college or university
- Possess a minimum weighted GPA of 3.0

- Identify as a member of a minority group
- Submit a 500-to-800-word essay detailing one challenge you or your family has had to overcome, and what steps you took to overcome the obstacles you faced

The Christopher Veale Scholarship is an outstanding opportunity for high achieving and motivated minority students. In addition to academic performance, the scholarship committee takes into consideration applicants' personal leadership skills, perseverance, and ability to overcome adversity as communicated in their application essays.
