

Care to Care Welcomes Martha Kearns, MD as a Medical Director

As Care to Care's program continues to expand, we are pleased to announce that Martha Kearns, MD has joined our brilliant Clinical team as a Medical Director.

NEW YORK, NY, US, August 16, 2021 /EINPresswire.com/ -- Healthcare emerges in higher demand post Covid-19, as patients return for routine testing. [Care to Care's](#) Utilization Program's focus on the Right Test at the Right Time is more necessary now than ever. As Care to Care's program continues to expand, to support our booming growth, we are pleased to announce that Martha Kearns, MD has joined our brilliant Clinical team as a Medical Director.

"I am excited to welcome Dr. Kearns to our team of Radiologists here at Care to Care. Her extensive expertise in general body imaging and her experience working closely with the American College of Radiology, as well as her passion to educate, will further enrich our utilization management program.", said Rachel Title, MD, Chief Medical Officer at Care to Care.
