

Giving away free healthcare might just be good business

Antidote Health is offering people a chance to win a year of free healthcare services to raise awareness

NEW YORK, NEW YORK, UNITED STATES, August 15, 2021

/EINPresswire.com/ -- Antidote Health launched a giveaway of free healthcare services for people living in the US. People across the US can enter this giveaway for free and can have a chance to win free healthcare services for a year. The competition will be open to US residents until the end of September 2021. After 30th September 2021, no more entries will be accepted by the firm. Antidote Health is hoping to announce the winner of this giveaway within the first week of October.

There are no lengthy procedures, and US residents can sign up for this giveaway quite easily. They just have to provide their emails on the signup page to participate. Participants also have to

[install the Antidote Health application](#) on their mobile phones to be eligible to win. Depending upon the state of the resident, the winner of this giveaway will get immediate membership for a year.

“

We need people's help to spread the word that affordable healthcare is now a reality in the US”

Dr David Zlotnick

This [free healthcare giveaway](#) is a great campaign launched by Antidote Health to attract people to its platform. By participating in the giveaway, participants can

also have a chance to learn about the countless benefits of telehealth. Antidote Health is offering affordable healthcare services to all US residents. They believe that everyone should have complete access to inexpensive healthcare services.

The participants can also go for the different membership plans offered by Antidote Health if

they are not lucky with the giveaway. With minimal monthly fees, people can connect to their doctors immediately and maintain proper medical records. Antidote Health assures its patients that they don't have to worry about any hidden fees or surprises while using their services. Patients can go through different membership plans to get the best value for their money. People that have previously used healthcare services provided by Antidote Health are [extremely satisfied with the experience](#). Patients can easily share their issues with the certified doctors available on this platform. They have nothing but good comments about the doctors and their behavior.

Antidote Health launched this giveaway to make it easier for US residents to benefit from their services. The winner won't have to worry about paying any monthly fees for 12 months. After that, the individual can choose to continue or terminate the membership plan depending upon their experience. Residents are advised to reach out to Antidote Health agents if they have any queries about the signup procedure.
