

Maryland Mesothelioma Victims Center Appeals to a Navy Veteran with Mesothelioma Who Was Exposed to Asbestos at a Shipyard to Call Attorney Erik Karst of Karst von Oiste About Compensation That May Exceed \$1,000,000

BALTIMORE , MARYLAND , USA, October 15, 2021 /EINPresswire.com/ -- The Maryland Mesothelioma Victims Center says, "We are appealing to a Navy Veteran who has recently been diagnosed with mesothelioma in Maryland or their family to call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 for specifics of how the mesothelioma compensation process will work--especially if the Veteran was also exposed to asbestos at a shipyard. Prior to 1982 navy sailors were frequently required to stay on board this ship or submarine while it was undergoing repairs at a shipyard on the East or West Coast or in the Gulf of Mexico. Navy Veterans like this might have had extreme exposure to asbestos.

"We are advocates for people with mesothelioma in Maryland and nationwide and we want people like this to receive the very best possible compensation results. If you have recently been diagnosed with mesothelioma in Maryland rather than ordering a 'free' generic kit, guide, booklet, publication, or other complete nonsense please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 for answers to your questions about mesothelioma compensation and what your financial claim might be worth. The call to attorney Erik Karst is no obligation." www.karstvoniste.com/
