

Tracey Mullen, CEO of Abveris honored by World Biz Magazine Awards with "Top 100 Innovation CEO" Award

Tracey Mullen, CEO of Abveris has been announced as a "Top 100 Innovation CEO - 2021" by World Biz Magazine.

LONDON, UNITED KINGDOM, August 16, 2021 /EINPresswire.com/ -- Tracey Mullen, CEO of [Abveris](#) has been selected by the Judges of [World Biz Magazine](#)'s annual awards to be a recipient of the Top 100 Innovation CEOs Award - 2021. This selection follows a stringent process that evaluated over 40,000 nominees to select the exclusive list of 100 winners.

Tracey Mullen, CEO of Abveris

Tracey Mullen is a chemical-biological engineer from MIT who began her career as a scientist at a start-up antibody discovery research organization. In this role, she managed 100+ antibody development projects over the course of two years to help accelerate new drugs to the clinic.

“

Abveris is a premier antibody discovery partner, offering end-to-end mAb discovery solutions to biotech and biopharma companies of all sizes.”
World Biz Magazine

In 2013, she joined the Antibody Discovery team at Biogen where she optimized cutting-edge technologies for the discovery and engineering of new therapeutic antibodies, with a focus on some of the industry's most challenging and elusive targets. In 2018, Tracey joined Abveris as the Director of Antibody Discovery Operations, where she managed technical project design and management before her promotion to Chief Operating Officer in 2019. During her tenure as COO, Tracey co-led the implementation of a

next-generation antibody discovery platform that has propelled the company's exponential growth, solidifying Abveris as a premium partner to some of the world's top biopharma organizations.

Tracey is now the Chief Executive Officer of Abveris, where she continues to push the boundaries of antibody discovery through strategic organizational improvement and technical development. When she is off the clock, Tracey can be found on the side of cliffs around the world pursuing her primary passion outside of work: rock climbing.

Abveris is a premier antibody discovery partner, offering end-to-end mAb discovery solutions to biotech and biopharma companies of all sizes. Abveris provides its partners access to multiple technology platforms with optimized workflows for immunizations, screening, characterization, sequencing, purification, and recombinant production.
