

# Chad Connelly: American Restoration Tour Promotes Nation's Christian Heritage

*Radical leftists are trying to remove America's Christian heritage from textbooks and classrooms*

WOODLAND PARK, COLORADO,  
UNITED STATES, August 17, 2021

/EINPresswire.com/ -- Radical leftists are trying to remove America's Christian heritage from textbooks and classrooms, but a faith-based organization aims to promote foundational truths through a nationwide tour.

Our intention is to inform and educate – we've got to get people to understand what makes America different and why it has blessed the entire world.”

“I believe 2021 is the year that we need to teach Christians why God's role in America is irreplaceable,” said Chad Connelly of Faith Wins.

Connelly joined the Truth & Liberty Coalition [livecast](#) with Andrew Wommack, president of the Truth & Liberty Coalition, and Richard Harris, executive director to discuss the upcoming Faith Wins American Restoration Tour.

The tour will visit 16 states and about 40 cities from

September into November, and features Connelly along with historian David Barton of WallBuilders (who also serves on Truth & Liberty Coalition's Board of Directors).

According to Connelly, the goal is to develop a “renewed interest and understanding of how special America is, and how God has had His hand on this nation from the beginning.”

Barton's research and books are essential to understanding America's Christian heritage and foundational values, said Connelly.

“They were massively influential for me, because it's eye opening to find out the truth about the 'separation of church and state,' to find out the truth about the Founders' intentions, the original intent of the Supreme Court's decisions, and things like that,” said Connelly.

Along with Connelly and Barton, lawmakers and leaders will be on hand to share their personal

testimonies. With the tour scheduled for various times, the events will be presented in the mornings, afternoons, or evenings. If events coincide with regularly scheduled church services, there will be time for worship.

According to Connelly, everyone is welcome to attend the American Restoration Tour events in their communities – even liberals.

“They are going to hear things that will challenge their thinking,” said Connelly. “Our intention is to inform and educate – we’ve got to get people to understand what makes America different and why it has blessed the entire world.”

According to Harris, “Chad Connelly is a great leader and a true patriot. Thank God for men like him and David Barton who work tirelessly to keep our republic strong.”
