ASHLEY ADDISON DOES IT AGAIN!  
BOOK VIRAL CLAIMS REAL ESTATE, DATING, AND DEATH IS 'CAPTIVATING'

Ms. Addison's second novel in the Vivianne Murphy Mystery Series, *Real Estate, Dating, and Death*, receives high praise from UK's Book Viral Reviews (BVR).

BVR states readers of *Real Estate, Dating, and Death* will be addicted to the chemistry between the protagonists and spellbound by the tingly suspense lurking beneath the surface. Calling the novel a 'must-read' for fans of the genre, the reviewer commends Ms. Addison for her artful handling of characters, backstories, and sub-plots, as well as her meticulous attention to detail. The reviewer applauds the author for favoring good writing over graphic detail and complex versus two-dimensional characterizations. Without divulging details, the reviewer affirms the added romantic entanglements lead to a cracking ending and the promise of more books to come in the series. *Real Estate, Dating, and Death* is recommended for the coveted BookViral Crimson Quill Award.
