APWASI launched the Wine and Culture Adventurer’s Club this summer to celebrate the cultural diversity and awareness of the world.

VANCOUVER, BRITISH COLUMBIA, CANADA, August 18, 2021 /EINPresswire.com/ -- Asia Pacific Wine and Spirit Institute or APWASI (www.apwasi.com) launched the APWASI Wine and Culture Adventurer’s Club this summer to celebrate the cultural diversity and awareness of the world.

Dr. Clinton Lee, Executive Director of APWASI said, “2020 was the year that global history would witness an unprecedented challenge to countries, communities, and individuals. It was a time when the birth of a new global norm emerged through the pandemic. Despite our diversities, we have shown that we have more in common than differences. Cultural diversity conquered and is now building a stronger awareness of cultural power.”

Hosted by Dr. Clinton Lee, the Adventurer’s Club is an invitation to learn more about the different cultures of the world through a series of 100 never-released videos, incorporating culture, wine, and spirits. You will have exclusive access to virtual wine
