Ahmed Alhefeiti; OWNER of WADI DAFTA PLANTATION

DUBAI, UNITED ARAB EMIRATES, August 18, 2021 /EINPresswire.com/ -- The Guiding Light of the [AGRICULTURE](#) Industry in United Arab Emirates will join us on 29th of September 2021 at The Oberoi Dubai, Dubai, UAE from 2pm to 6pm and will be followed by cocktails post-networking reception at 6pm to 8pm.

Ahmed Alhefeiti; owner of Wadi Dafta Plantation will be speaking at Agriculture Investment Forum 2021 "Let's grow together" will be hosted by The Abrahamic Business Circle.

The Wadi Dafta Plantation was founded by Ahmed Alhefeiti who gave Fujairah Observer a personal insight into his passion and vision for the future. Ahmed Alhefeiti, a retired Lt. Colonel who also served as Deputy Executive Director of Al Sharq Healthcare is a well-known figure in Fujairah but this last year has seen him completely consumed with his "green" project.

Ahmed Alhefeiti family origins are from the Fujairah Village of Sakamkam, with their traditional background being agriculture so you could say plants are in his blood. Ahmed Alhefeiti's vision is to introduce his passion to the youth of UAE with his young farmers' project, which we at Fujairah Observer are keen to participate in. Sponsored children's camps will develop their awareness of organic and local foods, and a program of farm visits will help to facilitate experience and knowledge sharing with the next generation.

His Excellency Dr. Dr. h.c. [Raphael Nagel](#), World-Renowned Investor and Senior Advisor to Royal Families and Ultra High-Networth Individuals, will welcome Global INVESTORS, Founders, CEO,
