“

Re-ranking as an Inc. 5000 company in America comes at a great time for us after recently being recognized in the 2021 Gartner Magic Quadrant. This is a huge achievement for all of us at MediaAgility.”

Rajesh Abhyankar, CEO and Co-Founder, MediaAgility Inc.

“Re-ranking as an Inc. 5000 company in America comes at a great time for us. We hadn't even started getting used to being a Niche Player in the 2021 Gartner® Magic Quadrant™ for Public Cloud IT Transformation Services when we received the news about ranking on the Inc. 5000 Annual List of American's Fastest-Growing Private Companies in 2021. We have seen exponential growth in the last couple of years, and our commitment to deliver exceptional services to our clients has never been stronger. I would also take this moment to thank our Google Cloud partnership and recognize the hard work

poured in by each Agilite. This is a great achievement for all of us at MediaAgility,” says Rajesh Abhyankar, CEO and Co-Founder, MediaAgility Inc.

Not only have the companies on the 2021 Inc. 5000 been very competitive within their markets,

but this year's list also proved especially resilient and flexible given 2020's unprecedented challenges. Among the 5,000, the average median three-year growth rate soared to 543 per cent, and median revenue reached \$11.1 million. Together, those companies added more than 610,000 jobs over the past three years.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria,

can be found at www.inc.com/inc5000. The top 500 companies are featured in the September issue of Inc., which will be available on newsstands on August 20.

"The 2021 Inc. 5000 list feels like one of the most important rosters of companies ever compiled," says Scott Omelianuk, editor-in-chief of Inc. "Building one of the fastest-growing companies in America in any year is a remarkable achievement. Building one in the crisis we've lived through is just plain amazing. This kind of accomplishment comes with hard work, smart pivots, great leadership, and the help of a whole lot of people."

Methodology

Companies on the 2021 Inc. 5000 are ranked according to percentage revenue growth from 2017 to 2020. To qualify, companies must have been founded and generating revenue by March 31, 2017. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2020. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2017 is \$100,000; the minimum for 2020 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Growth rates used to determine company rankings were calculated to three decimal places. There was one tie on this year's Inc. 5000. Companies on the Inc. 500 are featured in Inc.'s September issue.
