

Schwalb Builders to Homeowners: These 2022 Bathroom Trends are a Must-See

The trends include exciting new materials and styles.

DENVER, COLORADO, UNITED STATES, August 19, 2021 /EINPresswire.com/ -- Schwalb Builders is pleased to announce a thrilling change to the upcoming [2022 bathroom remodeling](#) season, with natural materials and themed styles taking center stage.

Schwalb Builders is a home renovation company located in Denver, Colorado. Since inception 15 years ago, the company has worked on countless renovation projects, including full house remodeling, full-service remodeling, kitchen and [bathroom remodeling](#), and more. Schwalb Builder's fully equipped and experienced team consistently delivers high-quality workmanship that excels in care and precision.

As Schwalb Builders is a well-known and trusted source for Coloradans looking to remodel their spaces, the company has released its latest article that discusses [modern bathroom design ideas in 2022](#). The article provides readers with vibrant photos and detailed notes about the latest bathroom remodeling trends that will certainly excite and inspire those wishing to make updates and changes to their spaces.

"The bathroom is one of the rooms in our homes that has changed the most over the last few years," says Sean Schwalb, founder of Schwalb Builders. "We are no longer limited to cold colours and austerity and, in bathrooms, new materials ooze warmth and create a cozy feeling. What's more, bathroom design has become extremely functionable. The days of tiny bathrooms with just enough space for a basin and toilet are long gone."

In the well-researched article, readers will find a host of valuable and inspirational information about modern bathroom design ideas in 2022, including:

- Different color schemes for large bathrooms
- Various styles, including Scandinavian style bathrooms, minimalist bathrooms, vintage-style spaces, and free-standing bathtubs
- Natural materials for bathrooms
- Shower cabins
- Lighting trends and fixtures
- Washing machines and designs
- And so much more!
