

Global Trust And Foundations Market Trends, Strategies, And Opportunities In The Trust And Foundations Market 2021-2030

The Business Research Company's Trust And Foundations Global Market Report 2021: COVID 19 Impact And Recovery To 2030

LONDON, GREATER LONDON , UK, August 19, 2021 /EINPresswire.com/ -- According to the new market research report 'Trust And Foundations Global Market Report 2021: COVID-19 Impact And Recovery To 2030' published by The Business Research Company, the [trust and foundations market](#) is expected to grow from \$1.6 trillion in 2020 to \$1.65 trillion in 2021 at a compound annual growth rate (CAGR) of 2.9%. The growth is mainly due to the companies rearranging their operations and recovering from the COVID-19 impact, which had earlier led to restrictive containment measures involving social distancing, remote working, and the closure of commercial activities that resulted in operational challenges. The market is expected to reach \$2.20 trillion in 2025 at a CAGR of 7.5%. An increase in charity by people to several foundations is driving the market of trust and foundations.

Trends In The Global Trust And Foundations Market

There is an increase in NGOs catering to climate change activism as this is a widespread issue affecting several people and communities. Young people around the world are majorly elevating their voices on the issue of environmental change. From Greta's movement, 'Fridays for Future' to the Madrid Climate Change Conference, all are focused on directing the attention towards climate change. For instance, the United Nations carries out its efforts to protect the environment with the help of the UN Environment Programme (UNEP) and the World Meteorological Organization (WMO). Another organization working in the direction of climate change is the Green Climate Fund that helps by providing financial assistance to the projects directed towards protecting the environment.
