"I think it's so important that we fight for the rights of pedestrians and cyclists and this award tells me that I'm making a difference," said Ms. Rahman, "and my work at Rahman Law PC will continue to help make the voices of victims be heard and hopefully prevent future injuries to

cyclists and pedestrians.”

Ms. Rahman’s other achievements which were taken into consideration for her Super Lawyers rating include: being one of the Top 20 Personal Injury Lawyers in San Francisco by Expertise in 2017 and 2018, a member of the Multi-Million Dollar Advocates Forum, recognized as a Top 40 under 40 Attorney by The National Trial Lawyers, receiving Martindale-Hubbell’s AV Preeminent® (the Highest Level of Professional Excellence) peer review rating based on the opinions of members of the bar and the judiciary, and Avvo’s Rating of Superb as a Top Rated Personal Injury Attorney by client reviews.

Super Lawyers has many candidates for their top 5% list. Ms. Rahman was selected through independent research and peer evaluations. To remain within the top 5% as a Super Lawyer for thirteen years is an accomplishment to be proud of for any personal injury attorney in California.
