

Tej Solutions selects ITShastra as 'Center of Excellence' for future growth

Tej Solutions will leverage ITShastra as a 'Center of Excellence' for its growth in various technologies

BALTIMORE, MARYLAND, USA, August 24, 2021 /EINPresswire.com/ -- [ITShastra](#), a global IT services provider with leading capabilities in consulting, and next-generation digital solutions on Tuesday announced that it has been selected by [Tej Solutions](#) to act as a 'Center of Excellence (CoE)' for developing new-age solutions in various technology domains.

The Maryland, US-headquartered Tej Solutions is a major technology services player with service offerings such as [AWS](#) audit & management, cyber security, software development, contract reviews & management, and procurement services among others.

“

After a rigorous selection process, we selected ITShastra as a strategic partner to operate as a 'Center of Excellence'.”

Tejash Natali

As part of the strategic collaboration, Tej Solutions will leverage ITShastra as a CoE for its growth in various technologies in emerging areas including Cloud Computing along within areas such as Cloud Spend Planning & Management, Cloud fleet management & usage audits, artificial intelligence, machine learning, data analytics to list a few.

ITShastra with its formidable engineering talent base, hands-on project execution capabilities, and expertise in the BFSI sector will co-innovate with Tej Solutions in designing, developing, and implementing customized software solutions such as Software as a Solution (SaaS), Platform as a Solution (PaaS), Infrastructure as a Services (IaaS) among others.

“After a rigorous selection process, we selected ITShastra as a strategic partner to operate as a ‘Center of Excellence’ for developing and implementing various cutting-edge technology solutions for our clients. ITShastra’s two decades of proven project execution capabilities with various clients, domain expertise in AWS, Vendor Audit services, cloud computing-powered offerings, and engineering talent will support our future growth. We are looking forward to commonly explore new horizons through a collaborative approach,” said Tejash Natali, Chief Executive Officer of Tej Solutions.
