"If you are looking for an audio and alarm professional for your vehicles in your area, this is the

Top Rated Sound Image - Phoenix, Arizona

Car Alarm Installation In Phoenix

place to be. In our Sound Image you will find all brand stereo like Sony, Infinity and Rockford Fosgate. Our professionals are well experienced and experts to do their work.

In Sound Image you will also find intoxalock for better after a drunk driving conviction," says Sal Rabadi the founder and owner of Sound Image, "Install a high quality stereo in your favorite car with Sound Image you will love the way and the work quality because our team is very professional and well experienced. If you are worried about regularly repairing your car's favorite stereo stay back home just call us we will fix this as soon as possible and it will increase your audio taste."

Sound Image is committed to providing the highest-quality audio installations and services available in Phoenix.

That's why Sound Image only works with the best brands in the business so people can hear music the way it was designed to be heard when driving through Phoenix.

Sound Image is the car stereo store in Phoenix.

“

There's much to see here.

So, take your time, look around, and learn all there is to know about us.

We hope you enjoy our store and take a moment to allow me to help you."

*Sal - Car Audio Guru*

Their products and installation services are backed by a money-back guarantee. In addition, they install intoxalock. Intoxalock is a tiny, portable breathalyzer for car ignition switches that prevents users from starting their vehicle after they've consumed alcohol.

They know how to install vehicle audio in Phoenix like the backs of their hands.

They'll program the best audio system into the vehicle for audio blasting those beats without having to worry about a large audio system taking up room in the vehicle.

They'll ensure the new audio system is up to par in terms of functionality and sound quality.

Sound Image has built a good reputation in the Phoenix community by following these key values and providing high-quality services, as proved by the favorable Google reviews the car

stereo company receives on a regular basis.

For example, Brandon Hearn describes their experience, "Sayel got me in right away.

After looking around town they beat everyone's price that I could find. They were very nice and professional. They even went out of there way to give my daughter and myself a ride to our hotel. The system sounds great, everything works great. I would definitely recommend the shop to anyone wanting a quality sound system for a great price. Sayel thank you for your help, I will only use your shop in the future. Best customer service in town! Quick with their work, honest & no bs they get their work done. Love the guys over at Sound Image! They do great work and very professional. Very knowledgeable and up front about their service and the products they offer. Would definitely recommend them to anyone."

Robb Millett similarly says, "I was calling all over town looking for a place to buy an alarm and have it installed. I was getting quotes any where from \$250 - \$400 plus extra for the parts and labor for a basic alarm. I place was \$600. So I started Googling stereo shops and Sound Image came up. I remember seeing this place as a kid and always busy. Now I know why. Great prices friendly staff and quick service. I paid far half of what some other places quoted. Let's just say basic alarm no remote start or anything fancy and the install for way below \$250. I am happy with the work and service and I will be returning to have speakers and an amp installed by them. You need to get there early cuz they is BUSY!! Thanks guys see you in a few months! Love the guys over at sound image. Service is great and they get you in and out in a convenient time. 10/10 service."
