

Capital Numbers Introduces an Automated Skill Assessment Platform to Make Hiring Effortless

Pre-employment skill assessment will no longer be hectic. Capital Numbers brings a new-age ATS platform, Skillsz, to make assessment easy and transparent.

KOLKATA, WEST BENGAL, INDIA, August 23, 2021 /EINPresswire.com/ -- Capital Numbers, a leading software development company known for its AI-driven task monitoring, launched a new product, Skillsz - a [pre-employment skill assessment tool](https://skillsz.com) (<https://skillsz.com>) - on 23rd Aug 2021 to make hiring easy and effective for recruiters and HR managers, and Talent Acquisition experts.

In the pandemic-induced situation, when most companies conduct interviews online, ATS platforms are more than a boon for them. And Skillsz, with its exclusive features, is an on-demand SaaS-based ATS platform that brings automation and efficiency in this process.

Developed by the top 1% of developers and powered by cutting-edge technology, Skillsz eliminates the extra burden associated with hiring and ensures quicker hiring, better decision making, and improved productivity.

While it is immensely time-consuming and challenging to manually filter and shortlist the best

Skillsz

Easy, Flexible & Customizable Screening Solution

We are offering a faster way to measure, manage, and shortlist the best developers with our advanced online assessment tests

Pre-employment skill assessment tool

talents from the sea of applicants, Skillsz reduces the time, energy, and money needed. "Online assessment tests can reduce around 50% of unqualified applicants on the spot and slash down the unnecessary cost incurred in conducting and monitoring tests", says Mr. Mukul Gupta, the CEO of Skillsz.

The advertisement features a dark blue background on the left with the text "Easy, Flexible & Customizable Screening Solution" in green and white. Below this, it says "We are offering a faster way to measure, manage, and shortlist the best developers with our advanced online assessment tests". On the right, there is a collage of images: a woman in a blue shirt holding a tablet, a man in a yellow shirt with a green checkmark, a man in a grey suit with a red X, and a woman in a white shirt with a red X. There are also social media icons for Facebook and Twitter.
