

Mobile Locksmith Squad Publishes Article to Help Businesses Understand Differences Between 2022 Commercial Locks

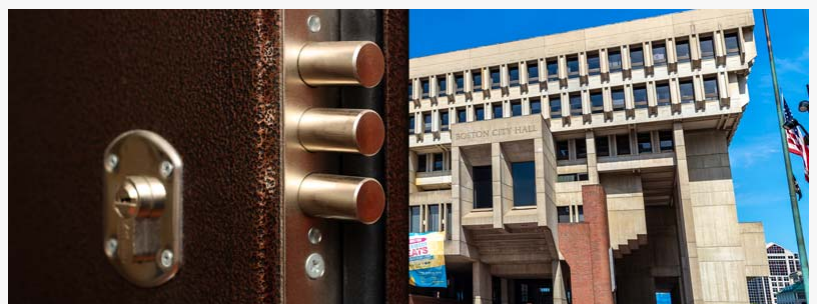

The comprehensive article highlights the varying elements of commercial locks, models, and types.

BOSTON, MASSACHUSETTS, UNITED STATES, August 24, 2021

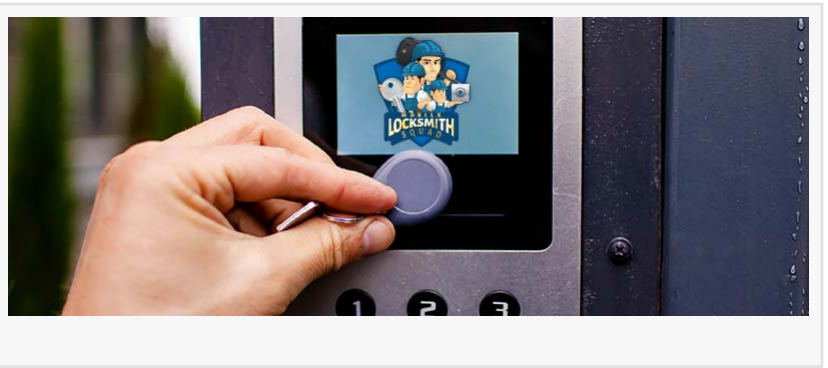

/EINPresswire.com/ -- Mobile Locksmith Squad is pleased to announce the release of its latest article discussing the differences between [2022 commercial locks](#), models, and types – an article written with business owners in mind.

Mobile Locksmith Squad is a top-rated [locksmith in the Boston](#) and Greater Boston areas. The company's vast knowledge and expertise to effectively conduct locksmith-related services is what makes it a renowned name in the industry, having served hundreds of clients since inception.

In the company's latest news, Mobile Locksmith Squad has published an article specifically for business owners to support them in understanding the differences between 2022 commercial locks, types, and models. The article educates businesses about the benefits of proper commercial door locks, which can help prevent theft and robbery, especially during non-business hours.

“Not only are 2022 commercial locks imperative for increased security to outside visitors, but they are also ideal for preventing employees from accessing sensitive areas or confidential files without permission,” says founder of Mobile Locksmith Squad, Bowie Shvili. “Our recent article

helps businesses to understand how to choose the right systems for their needs, provides an overview of different commercial door lock types and door hardware, and so much more. It’s certainly one of the most comprehensive and easy-to-understand articles in the industry.”

At its core, Mobile Locksmith Squad aims to provide the best security solutions to protect businesses’ enterprises, owners, employees, and investments with services including:

- Commercial doors
- Panic bars (AKA Exit Device)
- High Security Locks
- Installation
- Replacement
- Repair
- Re-keying
- And more!
