

# Amazon Banned Top Sellers, Shopify might be An Alternative Platform for Cross-Border E-Commerce Seller

*Chinese E-Commerce Sellers are seeking a new way to sell overseas*

VANCOUVER, BC, CANADA, August 24, 2021 /EINPresswire.com/ -- ChinaSEO Online Marketing Inc announces to launch of more Shopify App to fulfill e-commerce sellers' needs. In 2020; ChinaSEO has launched a WordPress app - website to Web-app within 2 mins. What clients need to do is just simply input their website address, and hit submit button; the app will automatically create an Android web app for the site; the whole process only takes less than 2 minutes.

In 2021, According to the Shenzhen Cross-border E-commerce Association, at least 50,000 Chinese merchant accounts had been affected by Amazon's move since May due to some of them being alleged for paying for reviews...

More and more cross border sellers reach us recently, they want to create a Shopify site, and trying to sell on Shopify instead of Amazon"

*Randy, Founder of China SEO*

It is a big challenge for those Chinese sellers, the priority problem they are facing is the inventory. Without FBA, they definitely need to find a new pathway to solve the logistic problem. And most of them, still have a whole bunch of products in Amazon's warehouse.

Why choosing Shopify as an alternative way for B2C?

1. Convenient store management
2. 24/7 customer support
3. Flexibility with business development
4. Safety and reliability

5. Support online, offline and cross-platform sales through mobile platforms

6. Professional web design template

Do those cross-border sellers need a professional team to create a Shopify store?
