

# COACHDIVERSITY INSTITUTE Ranks No. 524 on the 2021 Inc. 5000, With Three-Year Revenue Growth of 937 Percent

*Inc. Magazine Reveals Annual List of America's Fastest-Growing Private Companies—the Inc. 5000*

LELAND, NORTH CAROLINA, UNITED STATES, August 25, 2021 /EINPresswire.com/ -- NEW YORK, Inc. magazine recently revealed that [COACHDIVERSITY INSTITUTE](#) is No. 524 on its annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Intuit, Zappos, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

"I'm honored and ecstatic about the news especially being so close to an Inc. 500 ranking! It's also a moment of reflection because in 2019 the average annual revenue for all women-owned businesses was \$143,000. The average annual revenue for black women-owned businesses was \$24,000. That data clearly shows black women have the immense challenge of being underpaid, underfunded, and under-resourced. I will celebrate my accomplishment while I continue to advocate for closing the wealth gap in the United States." says Dr. Towanna Burrous, CEO and Founder

Not only have the companies on the 2021 Inc. 5000 been very competitive within their markets, but this year's list also proved especially resilient and flexible given 2020's unprecedented challenges. Among the 5,000, the average median three-year growth rate soared to 543 percent, and median revenue reached \$11.1 million. Together, those companies added more than 610,000 jobs over the past three years.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at [www.inc.com/inc5000](http://www.inc.com/inc5000). The top 500 companies are featured in the September issue of Inc., which will be available on newsstands on August 20.

“The 2021 Inc. 5000 list feels like one of the most important rosters of companies ever compiled,” says Scott Omelianuk, editor-in-chief of Inc. “Building one of the fastest-growing companies in America in any year is a remarkable achievement. Building one in the crisis we’ve lived through is just plain amazing. This kind of accomplishment comes with hard work, smart pivots, great leadership, and the help of a whole lot of people.”

## Methodology

Companies on the 2021 Inc. 5000 are ranked according to percentage revenue growth from 2017 to 2020. To qualify, companies must have been founded and generating revenue by March 31, 2017. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2020. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2017 is \$100,000; the minimum for 2020 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Growth rates used to determine company rankings were calculated to three decimal places. There was one tie on this year's Inc. 5000. Companies on the Inc. 500 are featured in Inc.'s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/inc5000>.
