

JK Tech Wins The Stevie® Award in 2021 International Business Awards®

NEW YORK, UNITED STATES, August 25, 2021 /EINPresswire.com/ -- JK Tech, a next-generation digital and IT services provider was named the winner of the Stevie® Award for being the Company of the Year in Computer Services at the 18th Annual International Business Awards® today.

The International Business Awards by Stevie are the world's premier business awards program. The 2021 IBAs received entries from organizations in 63 nations and territories. More than 3,700 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories.

JK Tech won the prestigious Stevie® Award and was recognized as the Company of the Year, in Computer Services for Medium-size category.

About winning the award, Alope Paskar, CEO and President- JK Tech stated "Even though the pandemic acted as a catalyst for digital transformation globally, navigating the organization during Covid-19 phase was not easy. We, as always, were determined to provide a superior experience for our customers through innovations and next-generation customer centric impactful solutions. It is delightful to be conferred as the Company of the Year in Computer Services by Stevie Awards, which is indeed a testament for the commitment we show to our stakeholders."

Stevie Award winners were determined by the average scores of more than 260 executives worldwide who participated in the judging process from June through early August.

"What we've seen in this year's IBA nominations is that organizations around the world, in every sector, have continued to innovate and succeed, despite the setbacks, obstacles and tragedies of the ongoing COVID-19 pandemic," said Stevie Awards president Maggie Gallagher. "All of this year's Stevie Award winners are to be applauded for their persistence and their resilience. We look forward to celebrating their achievements with them during our 8 December virtual awards ceremony."
