Dark Nights: First in the Until Dawn Series (New Edition)

The author, Jordan E. Walker, creates a mystery filled with adventure and fantastical creatures perfect for intermediate readers as well as adults. Written in the first person, the story unfolds through Jayde's voice. And what a voice it is. The author's protagonist is smart, opinionated, courageous, and impulsive. Walker's grasp of the teen's dialogue and inner monologue is spot-on. Jayde's internal dialogue concerning her disdain for her parents is reminiscent of Holden Caulfield, that most angsty of fictional teens in 'J.D. Salinger's The Catcher in the Rye.' Walker's first offering in the Until Dawn series is a wonderful addition to fantasy fans' shelves.

Jayde's story started with a fairytale but ended with a bang. Mystery, magic, and loss lie within the darkness of night. Until dawn.
