The P.S. I Love You Foundation, a 501C3 non-profit founded in 1998 and reaching 650-1,200 at-risk youth annually, is dedicated to the development implementation of effective Social and Emotional Learning (SEL) Programs and community outreach events. On September 18th, with the help of their first three generous sponsors, TechStyle Fashion Group, The Water Buffalo Club, and South Bay Lexus, PSILYF, and Fresh Brothers Pizza will be celebrating their 20th Annual Day at the Beach; Adopt A Child For One Day" in an effort to bring the HUMAN CONNECTION so many of us need to start the healing process from the past years built up isolated, lonely and worldly injustices and anxiety. Day At The Beach will inspire youth and adults alike by exposing

them to positive community activities and healthy experiences that lead to visions of TRUST, INCLUSION, RESPECT, HOPE and LOVE for self, others and the world around them.

“Adopt A Child for One Day” Community Event is designed to give underserved children a memorable day filled with one-on-one attention and care. Adult mentors, that also bring their own children or loved ones, should be prepared to be in the water with their mentee, ride boogie boards, get their faces painted, eat pizza, and experience the funniest two-legged mentor/mentee race ever seen. And though there is a lot of uncertainty at the start of the day and maybe even feelings of mistrust and anxiety being matched with someone you have never met before, within 15 minutes the mentor and mentee bond. This starts shaping a beautiful day filled with purpose, energetic conversations, patience, love, laughter, healthy interaction and lots of smiling faces. The mentees bring as much happiness to the adults and the mentors give to the at-risk youth. It’s truly an amazing day...and as many youths say, “the Best Day Of My Life.”
