Their expert garage door team is OSHA-trained, certified, and experienced in forklift and scissor lift operation, and they always put safety first from start to finish. Commercial sectional garage doors, commercial rolling doors, and commercial ornamental doors are all things they can manage.

Arizona Garage Door Guru has built a good reputation in the Arizona community by following these key values and providing high-quality services, as proved by the favorable Google reviews more than 200+ the Garage Door Repair company receives on a regular basis.

For example, Shaun R. describes their experience, "I needed my garage door springs replaced. James from AZ Garage Door Guru was able to give me a quote over the phone, and he showed up exactly when he said he would (in my case it was only 30 minutes). He was friendly and clearly knew what he was doing. Overall, he did a great job and I would definitely feel comfortable referring my friends and family to him in the future. He even fixed part of my opener that had been installed by someone else improperly. Would recommend him to family and friends. Very prompt and friendly!"

Hope Lyon similarly says, "Wow! I called this morning and James was here within 30 minutes. His fast work and great price exceeded our expectations. Thank you, Arizona Garage Door Guru! James was great! Fast and efficient, he arrived in a timely manner and the repair was done in no time. The total was what he quoted and no pressure to do other work. Would highly recommend the Guru. James from the Garage Door Guru was great, came in, did a diagnostic and determined it was time to replace the old opener. Went and bought a new opener and installed it in less than an hour just fast and efficiently. Great service and high quality. Quick response, honest, and friendly! Definitely planning on using his services again in the future. James was communicative, on time, and fair on price."
