

Recognition for "Care Beyond Compare"

Blossom Springs Assisted Living & Memory Care Residences received a nomination for Community of the Year, by Next Steps 4 Seniors Foundation.

OAKLAND TOWNSHIP, MI, USA, August 27, 2021 /EINPresswire.com/ -- Blossom Springs Assisted Living & Memory Care residences opened in November 2020, as the second community in the Blossom Collection of Inspired Senior Living by Mocer. The Next Steps 4 Seniors Foundation, a local senior resource organization that assists seniors in need of proper housing and care, has graciously nominated Blossom Springs as "Community of the Year". This award recognition celebrates the very best senior communities in Northern Oakland Counties. We are honored that Blossom Springs was nominated for its innovative approach to personalized care for seniors in our area.

"Blossom Springs allows residents the freedom to age in place as their health needs change without leaving the community, their friends or the staff they have come to know," said Mario Mocer, Mocer Companies partner. "We want to ensure our residents have the same accessibility, safety and stability as administered with in-home care". The team of compassionate professionals deliver unprecedented experiences by promoting independence, dignity, and vitality of our residents and their families. We manage the care so families can focus on the moments that matter.

Blossom Springs nurturing, compassionate caregivers provide round-the-clock care, offering residents and guests the same accessibility, safety and stability as administered with in-home care.

Blossom Springs allows residents the freedom to age in place surrounded by the same beautifully crafted living spaces and resort-worthy amenities that define the Blossom Collection.

The 56-residence community is a blending of beautifully crafted living spaces and premium amenities. "By design, Blossom Spring is a drastic departure from what most people think of when senior living comes to mind. The Springs campus is awe-inspiring, but our care is beyond compare." commented Mocerri Companies partner Dominic J. Mocerri.
