

FREE COVID-19 VACCINE CLINIC AT THE MODESTO LIBRARY AUGUST 28TH

The Modesto Library will be hosting a free vaccine clinic Saturday, August 28th at 1500 I Street in Modesto, CA from 10am to 12pm.

MODESTO, CA, USA, August 26, 2021 /EINPresswire.com/ -- The Modesto Library will be hosting a free vaccine clinic Saturday, August 28th at 1500 I Street in Modesto, CA from 10am to 12pm.

COVID-19 vaccines will be available regardless of insurance or immigration. Anyone under the age of 18 wanting to get vaccinated will need a parent or guardian present. The event will be administering the one-shot Johnson & Johnson vaccine as well as the Pfizer vaccine.

Modesto's best tool for stopping the spread of COVID-19 is through vaccinations. By getting vaccinated, residents help stop the spread of this deadly disease to family, friends, coworkers, and essential workers who continue to work hard to keep our community safe and open. The risk of hospitalization, serious illness, or death become increasingly less and helps keep our hospitals from reaching capacity when vaccinated against COVID-19. With the rising spread of more infectious strains of COVID-19, like the delta variant, community-wide protection from the disease is important now more than ever.
